- 401K with company match and profit sharing
- Extensive health and wellness programs offered (On-site fitness facilities)
- Paid vacation
- 10 paid holidays per year

## JOB DESCRIPTION (Full-time)

**The main function of this position is to set up, operate, and maintain a multi-color narrow web and wide web FLEXOGRAPHIC press. Other duties include but are not limited to:**

- Run high quality print jobs to the customer's specifications in a safe, productive, and efficient manner.
- Monitor press performance throughout the run, including color, copy, registration, and other quality parameters.
- Accurately follow detailed instructions and specifications from job tickets.
- Identify problems or errors and take immediate action to correct.
- Apply knowledge of adhesives and related materials, anilox rollers, ink matching, and other techniques used in flexographic printing.
- Perform other job duties as assigned.

## REQUIREMENTS

- High School Diploma or GED Equivalent required
- 5+ years' experience operating a multi-color printing press or certification through a college flexo program
- Regular attendance, overtime when required
- Comply with all company and safety policies and procedures

*Stable company with steady growth year over year!*
