

CRUZ FOAM

DISPOSAL INSTRUCTIONS

We encourage you to reuse your Cruz Cool. Once you are ready to dispose of it, follow these instructions for the most sustainable outcome.

1

COMPOST: Cruz Foam Only

When you're ready to part ways with your cooler, it is compostable per ASTM D6400 standards. You can throw it in your municipal compost pile* or your backyard compost, where it is designed to return to nature. Cruz Foam is also Lomi Approved.

2

RECYCLE: Outer Box Only

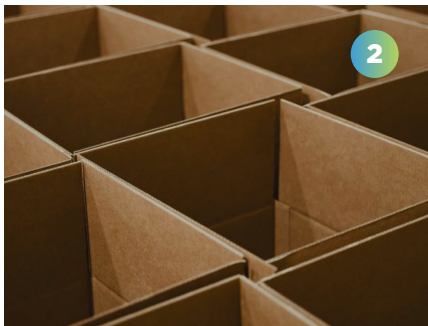

This box is recyclable and can be repurposed back into usable paper pulp at your local recycling plant. Place this item in your recycling bin.

3

TRASH: Cruz Foam, if option 1 isn't available

You can dispose of Cruz Foam in your trash bin.

**Check with your municipality for guidelines on your local composting program*
