## SCOTCH® PERFORMANCE PAPER BOX SEALING TAPE 570

Mindfully engineered to protect products, promote performance, and preserve the planet.

- **Environmental Stewardship**
  - **Recycle-Compatible:** Proven by Western Michigan University (WMU) testing when left on the box during recycling
  - **Sustainable Materials:** Responsibly sourced paper backing with a solvent-free adhesive
- **Seamless Automation**
  - Designed for manual, semi-automatic, and fully automated case sealing systems
  - Available in both hand and machine-length rolls for operational flexibility
- **Reliable Performance**
  - Maintains a secure hold on cartons with high recycled content
  - Unlike water-activated tapes, no moisture is required — reducing maintenance, mess, and downtime

Scotch® Performance Paper Box Sealing Tape 570

## SCOTCH® HIGH TACK BOX SEALING TAPE 371+

Secure your cases — and your commitment to sustainability — with a tape made from recycled materials.

- **Versatile Application**
  - Performs seamlessly in manual or automated operations, adhering strongly to corrugated, recycled, and rough surfaces for consistent sealing performance
- **Recycled Content**
  - A polypropylene backing containing recycled material, supporting closed-loop circularity
- **Strength You Can Trust**
  - Delivers a durable, tamper-evident seal that holds tight — even in cold and freezer conditions

Scotch® High Tack Box Sealing Tape 371+

3M Sustainable Packaging Tapes deliver reliable sealing performance with recycled and renewable materials, helping brands reduce waste, improve efficiency, and advance circular packaging without compromising protection or performance.
